"I did!"

"... this helicopter sure doesn't look like the under carriage of a Trans Am."
— Gary Richer —

While Troy Gype prepares to *"take off, you hosers"*, *"Mr. Fritz, you never taught me to drive a stick shift, and please, why don't you take your foot off the brake?"*

Wasn't that interesting? Seeing little green clad United States Army men sliding down thin nylon ropes. I just wonder how they kept from getting rope burns? ... Anyway, anything for Ole Uncle Sam!! Remember, *"Be all that you can be in the Arrr-my."*

"Sun shine on my shoulder pads, makes me happy, sun shine on my mouth piece, makes it hot! ..." Truly, this was the gut feeling of junior defensive end, Joni Warncke, about the climate of the 1982 Powder Puff game.

Junior Powder Puff coaches panicked when the Senior chant echoed over Harmon Field, *"Juniors ... Dead Meat" "Juniors ... Dead Meat!!"*

While other WHS students are enjoying a break from school Timo worries —

"I can't understand how you can't understand Physics and still pass the class —." ... well, maybe it really doesn't make sense but ... who does?

Alas, 37 years later . . . A straight tooth?

HOMECOMING '82

Queen Tracy reigns as TRIBE buries TIGERS

Homecoming week was a great success this year due to the students' spirit, support, and participation. Kicking off the week's events, the students had fun by dressing up, acting crazy, and just getting involved in "spirit week." The float competition this year was very competitive. With an honest effort, the Seniors placed 4th, the Freshmen ended up with a 3rd place, and the Sophomores captured 2nd. It was a hard decision for the judges to make, but the Juniors managed to steal their first 1st place with their theme "Give Us Liberty, Give Them Death." The annual snake dance through town was held Thursday evening and was followed by the bonfire and "Good Luck, Let's Win" speeches. Friday evening brought the event that the whole week's activities had been leading up to — the football game against Liberty Center. The pre-game events included a showing of the floats and the queen and her court. As the band played the coronation march the 1982 Homecoming Queen, Miss Tracy Cole, and her court were escorted by their fathers out onto Harmon Field. As last year's queen, Dawn Stutzman, crowned Tracy, Tracy's court, Senior attendant Michelle Friedhoff, Junior attendant Brenda Alig, Sophomore attendant Diana Bogosian, and Freshman attendant Jill Neuenswander, proudly watched. The football team defeated Liberty 34-22, giving us our 7th victory of the season. The Homecoming dance took place on Saturday evening. In their long gowns, the queen and her court danced with their escorts to the only slow song that the band 'Ruby Jones' managed to play that evening. Even though there weren't many opportunities for slow dances with your date, the dance was a memorable ending to just a fantastic week.

Seniors Victorious 8-0 in Puff Game

Who said the powder puff game was going to be all fun and laughs? The Senior class of '83 brought the phrase, "Juniors — Dead Meat!" to life on Oct. 10, 1982. The Junior gridders caught on to the toughness of the game, and the result was a hard-hitting, competitive hour of football. The Senior strategy of scoring early proved that they had more experience as they posted an 8—0 victory. Senior Kelly Stites scored the only touchdown, with quarterback Jill Moden taking the ball on a bootleg for the two-point conversion. The game provided funds for a new sound system for the WHS gym. The game ended with Junior and Senior girls knowing they had a few sore muscles and lots of laughs to deal with on Monday morning.

Congrats Seniors!

A Man Called . . . Kevin?

This year, WHS Thespian Troupe #827 decided to broaden their horizons and go a different route for the fall play. In September, Mr. Perry, director, announced that the rumors were true. The Thespians would be producing A MAN CALLED PETER in-the-round in the cafeteria. On November 16, 18, and 20, the theatre-in-the-round became a reality.

The story of A MAN CALLED PETER is quite a simple one. It is of the Reverend Peter Marshall, his wife Catherine, and son Peter John, and the youth group from the New York Avenue Church where Peter was minister in Washington, D.C. While pastor of the church, Peter faced many problems in his family and church life. There are the dilemmas of the youth group members, like Susan Grant who is engaged but is afraid of marriage after seeing her parents' for so many years. And there is Allan Talbot who is constantly hampered by his Aunt Judith Bickle. It is the same Judith Bickle who constantly criticizes Peter and builds unbearable pressures on him. And it is Judith Bickle who has restricted her sister Jesse in her spoken thoughts for many years. There is Senator James Knox Polk who fights Peter in Dr. Marshall's attempt to reform a young thief from the youth group. It is Sen. Polk who is arguing with Peter the night Dr. Marshall suffers his heart attack and it is Sen. Polk who ultimately nominates Peter as Chaplain of the United States Senate.

There were nine students making their stage debut in the two regular and one dinner theatre performances. They and the ten veterans, the stage crew, Mr. Perry, Mrs. Schnitkey, and all the crews involved did a wonderful job. They all deserve a round of applause!

The Jr. Talent Show of "The Unreal People of Wauseon" was again a tremendous success this year with Chris Spieles and Kristen Spengler as the co-hosts. It included a fine variety of entertainment such as the unknown pillow people, the "best legs in the high school", won by Robbin Vasvery and Dave Rohrs, Wauseon's own Professor Richie Simmons — alias Flaky Baker — with his famous butterscotch cake including "a little butter and a little scotch." The intense sound of rock was provided by the groups Rampage and No One, while more mellow chords were sung by Marsie Menchaca and Danny Rashley. As the afternoon came to a close with Mr. Perry performing "The Creation," the audience was told to "stay tuned to next year for another episode of 'The WHS Talent Show.'"

JAN. 28, 8:00 P.M. SWEETHEART DANCE

Tom Glanz "King for the Day."

Soft music, dim lights, and a colorful gymnasium set the scene for this year's Sweetheart Dance. Reigning over the events of the evening were "King" Tom Glanz and his escort Michelle Friedhoff. Senior Troy Fraker was chosen as "Duke" with Dara Stutzman as his escort. The "Knight" was Junior Tabb Gype, escorted by Jill Moden. Lynette Boyers escorted Troy Darcy, who was chosen from the sophomore class as "Squire." Freshman Desi Stutzman, who was selected as "Page," was escorted by Krista Roos. As this year's Valentine's Dance drew to a close, people who were brought together for an evening of dancing and romance, slowly went their separate ways.

The King and I

Emery Kedocia . . . what a pro!!

. . . late nights, Saturday rehearsals, forgotten lines, hoop skirts, a guest performer. All of these add up to create one of the best theatrical productions Mr. Perry and Thespian Troupe #827 have ever attempted — *THE KING AND I.* From tryouts in January until performance time April 14-17, well over 100 students from WHS and Elm Street worked diligently, learning lines, dances, music, and creating scenery and costumes. When the guest star — WHS alumnus, Emery L. Kedocia — arrived, everyone from cast to orchestra was ready to give their all!

THE KING AND I is based on a true story about Mrs. Anna Leonowens and her son Louis. Mrs. Anna is an English schoolteacher who has been hired to teach the Siamese Royal children. She meets not only the King and Crown Prince Chululongkorn, but also head wife Lady Tiang, the Kralahome ("a prime minister of sorts"), Tuptim (a present from the Burma Prince), and Tuptim's lover, Lun Tha. Mrs. Anna slowly brings about changes in the King and introduces him to new concepts, such as the polka.

It was evident that a lot of hard work, both on the part of Mr. Perry, Miss Czajka, and Mr. George, and on the part of the cast, crews, and orchestra, went into this show. It was an experience no one is likely to soon forget.

MAY 7, 1983 . . . HOLIDAY IN HOLLAND

"I don't know what to say." — L. Boyers

PREPARATION: The Juniors this year used a frantic, last minute Friday to prepare for the prom, while the Seniors enjoyed their day off. Lots of hard work by the Juniors and the Junior-Senior parents provided a beautiful "Holiday in Holland," and a night full of games, boothes, a spookhouse, and prizes. All the months of planning and weeks of labor paid off with yet another very special evening.

PROM: It was a big night for more than 300 Juniors and Seniors who attended the Saturday evening delight. It was a highlight of our school career, that chance to don tuxedos and formal dresses and escort that someone special. Good times till dawn began with the banquet in the high school gym. The students were escorted to their Dutch dinners while they enjoyed the scenic view of tulips, baby ducks, and an awesome sunset. Prom Queen Lynette Boyers and her date reigned over the dance and entertainment for the evening.

ALL-NIGHT: The all-night party was truly a success. With plenty of games and prizes in the fun house, including the Kissing Booth, mystery booth (beware of pin-the-tail-on-the-elephant!), and bingo, you couldn't help but have a good time. The spookhouse was as gorry and wet as ever, sending chills down your spine. The movie "The High Road to China" was really a wet trip as it rained throughout the rest of the morning. Only the die-hards made it to the friendship circle at Burr Road to enjoy good food, good company, and the end to a great Prom.

HONORS DAY — MAY 25, 1983

On May 25, the WHS seniors attended their last assembly in the auditorium, coming into a standing ovation given by the underclassmen. The Honors Day assembly recognized many efforts and talents including scholarship, perfect attendance, and athletics. Nineteen seniors were recognized and given Senior Awards in areas such as math, science, audio visuals, art, agriculture, service, and many other areas. Outstanding athletes Julie Matheaus and Tom Glanz were given the Sterling Awards. Many individual scholarships were given and recognized.

JUNE 5TH, 1983 — 2:30 P.M.

"Did we really have a class gift?"

The Class of 1983 held their Commencement exercises on June 5 at 2:30 in the school gymnasium. One hundred and twelve graduating seniors bid farewell to WHS at the ceremony. After processing in to the tones of "Pomp and Circumstance" from the WHS band, Father Hug presented the invocation. Rev. Reese was the Baccalaureate speaker. He was followed by a senior ensemble singing "Silver Wings." Chosen to speak by their classmates were Lynette Boyers and Tom Glanz. They each expressed their feelings about the Class of 1983. After the awarding of the diplomas, class president Arnoldo Hernandez led the class in the turning of the tassels and then gave an enlightening speech. The class donated an amplifier to be used in the gym as their class gift. The program closed with the singing of the Alma Mater and, then the benediction was given by Father Hug.

After the Commencement exercises, a few of the graduates took time to go to the cemetery to honor a former classmate, Buffy Ross. A memorial was placed on her grave from the Class of 1983.

MARCHING BAND

Kevin Leads Band "Across the Field" While Flags Fly Through Drill Team Energy.

The tradition of outstanding bands was again continued this year at WHS. The marching season started in June with the Fireman's Parade and the Freshmen's first public appearance. On August 15 over 100 band members left Wauseon with apprehensive feelings about the long week ahead. One of the highlights of Band Camp happened at 5:00 Wednesday morning, when the Freshmen were awakened from their deep sleep to take part in this year's initiation. At the annual closing bonfire, tears appeared in many Seniors' eyes as they realized how much band meant to them and that it would soon be over. As the band marched across the field at the first football game, everyone realized that all the hard work at Band Camp had paid off. As the season went on, the band continued to dazzle the audiences with their spectacular shows, and in return received many standing ovations. Everyone from the majorettes and drill team to Kevin and the musicmakers themselves contributed to the great success of the 1982 Marching Indians, but we couldn't have done it without Mr. George, who was always reminding us to "get our knees up and point our toes." Thanks, Mr. George, for a rewarding 1982 season!

FRIDAY THE 13th . . . MRS. SCHNITKEY STILL WITH CHILD

Kevin Loses His Appendix!

Wauseon High School showed off the many great talents of its students on May 13th during the annual Spring Arts Festival. During this event, students are able to display their talents in several different areas, either art, industrial arts, home economics, or music. During the first part of the festival, the year's projects were the center of attention. Rod Cheney was given the honor of being the year's Industrial Art Student of the Year, and Tom Day was recognized as Art Student of the Year. The attention was turned toward the musical talents during the second portion of the festival. During this portion the bands and choirs presented an outstanding performance. Fritz Whitcomb was presented the National Choral Award, Kevin Ladd and Mary Jo Rossman were honored with the Arion Award, and the John Philip Sousa Award was presented to Dave Garbers. This evening proved what a fine art and music department our school has and all of the students who participated should be congratulated for a job well done!

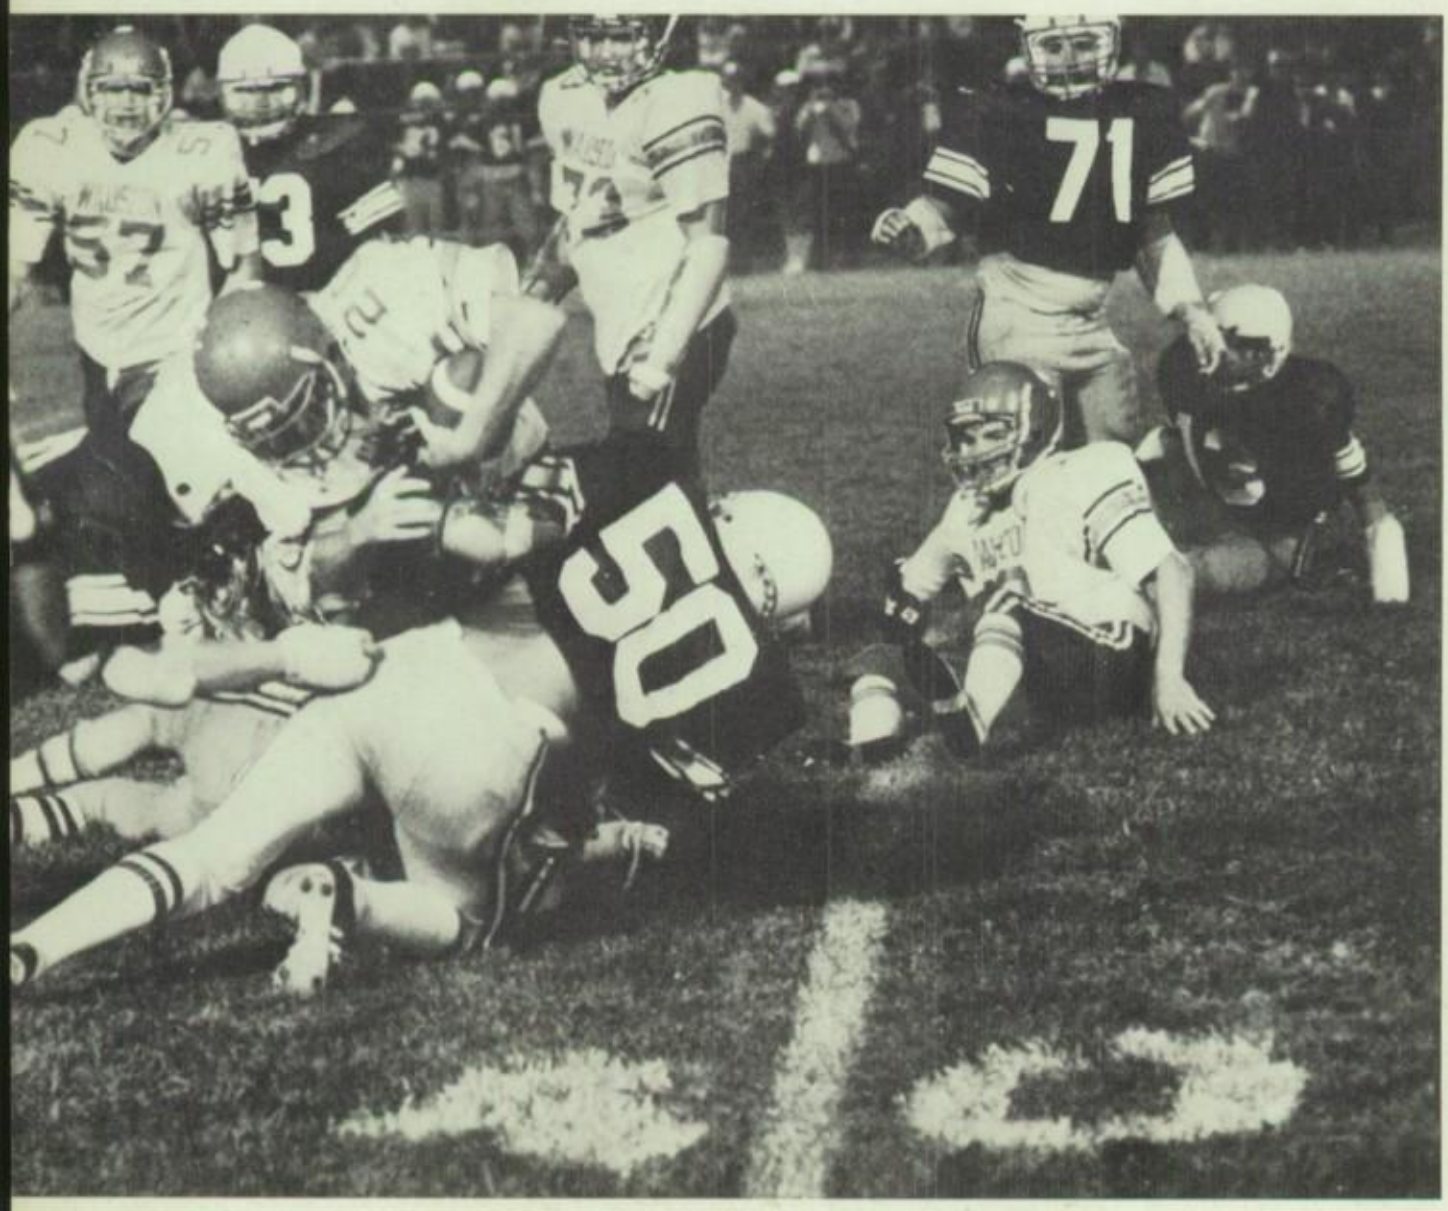
TOUCHDOWN!!

8-1-1 . . . Playoff picture slips by Tribe for second straight year.



"Who wants a touchdown? — We want a touchdown!!" was often sounded across Harmon Field. The 1982 Varsity Football team responded to the spirited voices of the crowd by scoring point after point on their way to an awesome 8-1-1 record. Despite the frigid temperatures, the tremendous support of the student body and townspeople lifted the team's spirit to an ultimate high as they tackled victim after victim. Under the fine Senior direction of Larry, Tony, Tom, and Jerry, the varsity Tribe tallied up many points to become one of the best offensive teams WHS has seen in several years. Although the team was small, quick, and few in numbers, many players made all-league honors and Larry Fruth and Jerry Richer made all-district and all-state teams.

MVP Lyndon Nofziger and MIP Rick Metzger of the reserve team will surely aid in the future of an outstanding varsity team. With a deceiving record of 3-3, the reserve team shows promise for the future of WHS football.

Below: WE ARE # ONE. **Bottom:** Todd and Robert just love to seek out and destroy those HOOPS.

In spite of many bumps and bruises, the frosh tribe showed their true Indian spirit as they fought an uphill battle, to a misleading 2-4 record. In the words of Coach Precht, "We outscored our opponents 90-88; we just scored at the wrong time." Through the years, the 1982 Freshman squad showed tremendous potential and determination and will surely rise to the top in 1983.

Hustle! Pride! Win

Spikers start tradition with second sectional crown in last two years.

The chant "Hustle, Pride, Win" echoed throughout the gym to fire up the Varsity Volleyball team, leading them on to victory after victory. They finished their season with the best overall record in Wauseon history, setting up 20 wins to only 6 losses. Led by all-leaguers Jill Moden, Jamie Knox, and Shelly Ricker, and honorable mention Dawn Leupp and Joni Warncke, the team finished second in the league with a 6-2 record. The Indian spikers captured the Sectional Championship for the second consecutive year, advancing them to District competition where they fought their way to an impressive second place finish. Their successful season was due to the hard work and dedication of the whole team, under the influence of MVP's Jill Moden and Jamie Knox, and MIP's Diana Bogosian and Kellie Norris.

Top: Ready, set, go! **Below, L-R:** 1. 50¢ a kiss. 2. Rub-a-dub-dub, volleyballs in the tub. 3. Graceful Gretchen shows her moves. 4. Up for the block!

The 82-83 Reserve volleyball team, led by Coach Collier, finished a super season with a 12-4 record. Starting out with four sophomores and eight freshmen, the team "bumped" their way through the schedule losing only two league games.

After only a few games, Kellie Norris was graduated to the varsity team. This left a spot to be filled by a freshman, and Jacque Shadle showed how qualified she was with an awesome first year spike.

Shari Fruth, Rena Clausen, and Michelle Huber led the team holding the sophomore starting positions, followed by freshmen Lori Creager, Jacque Shadle, and Selina Day.

With her height, Chris Cole found a place in the front row as a blocker with Rita McQuillen blocking and passing at her side.

Andrea Crew substituted into the back row as a dependable server and passer. Debbie Rupp and Chrystel Blosser were the back-up setters.

Top Left: "But Coach, it was Michelle's set." **Left:** Shari Fruth says, "service with a smile!" **Above:** Miss Collier with some words of wisdom.

The many hours of practice and immense concentration paid off for the 1982 golf team. All-leaguer Mike Meuth led the team, stroke after stroke, to clench the NWOAL crown. Our kings of the links yielded way to their first female golfer ever at WHS, Miss Gloria Holmes. Together, Gloria and the rest of the team, led by Most Valuable Luke Frey and Most Improved Denny Sperry, stacked up victory after victory. Under the outstanding leadership of Coach 'Z', the team concluded their season with a 16-17 record, leading the way to an even better 1983 season.

SIXTH IN STATE

Girls look to medal-filled future with first N.W.O.A.L. title.

This year's 1982 Wauseon girls' Cross Country team raced to a tremendous season. Under the joint teamwork of most valuable Lisa Free (all-league and all-Ohio), Marlene Dieringer (all-league), Betty Schneider (all-league), and Gloria Deck (most improved), all helped contribute to the team's success. Not only was the team victorious in the league and sectionals, but they placed 3rd in districts. They again performed very well by placing 6th in the state, which was the perfect finish to a fine season. This set the stage for a promising outlook for the future girls' Cross Country teams.

3.1 MILES

Second in N.W.O.A.L. race proves boys determination.

The boys' Cross Country team showed a fine performance again this year. Leading the pack as the most valuable and all-league runner, Mike Head, once again represented Wauseon well by placing in the State Competition. Robby Brock, an all-leaguer, and Kevin Schloneger, most improved, also contributed to placing the team second in the league by only one point to Swanton. Advancing then to Sectional competition, Mike and Kevin represented Wauseon in the District meet. There was a fine team effort this year, which was supported by outstanding individual achievements of the Indian runners.

Top left: WHS leading rebounder, Tom Glanz, clamps down on yet another board. **Left:** "Tabb, have you tried lawn bowling?" **Right:** Second team all-leaguer Rod Cheney tries to block out two Panther defenders.

VARSITY BASKET-BALL

Under the excellent leadership of senior co-captains, Rod Cheney and Tom Glanz, the hoopsters hustled to a 8-13 record. It was an exciting season with five games going into overtime and co-captain Rod Cheney being appointed to the NWOAL All-Star second team. Tom Glanz and Tabb Gype also received honorable mention in All-Star Competition. Due to the incredible sportsmanship and the amazing athletic endeavors of Most Valuable Rod Cheney, Most Improved Tom Glanz, and their teammates, WHS' basketball team tied for second in the league. WHS fans should be ready for next season which shows promise due to a large returning lettermen corps.

Top: "This guy must be Napoleon's high-stepping drum major." — Tom Glanz.

Top: Senior guard, Chris Tinsler, executes a perfect between-the-arm pass against the Cats of Napoleon.

RESERVE BASKET-BALL 82-83

The 1982-83 reserve basketball team ended a fine season with a 9-11 overall record. Jack Warncke, MV, and Ryan Saunders, MI, contributed their talents and hard work to help out their fellow teammates to a hard fought season. With all this talent, the WHS fans are looking forward to seeing these fine players in varsity action next season.

FRESHMAN BASKET-BALL 82-83

Although the freshmen team had a disappointing 3-8 record, the record is not an indicator of how the team played. They lost many hard fought, close games. They put forth a lot of painstaking effort and showed much hope for improvement and a promising future.

LADY HOOPSTERS . . . 7-11 . . .

Jamie's Knee Relocates . . .

The girls' varsity basketball team, led by co-captains Kelly Stites and Jill Moden, finished a challenging season. The lady tribe rolled over Stryker in the season opener to start out a fine basketball season. With a young team plagued by many injuries, they played well considering the many obstacles put before them. The team will turn to experienced underclassmen and co-captains Jamie Knox and Shelly Ricker for leadership in the coming girls' basketball season.

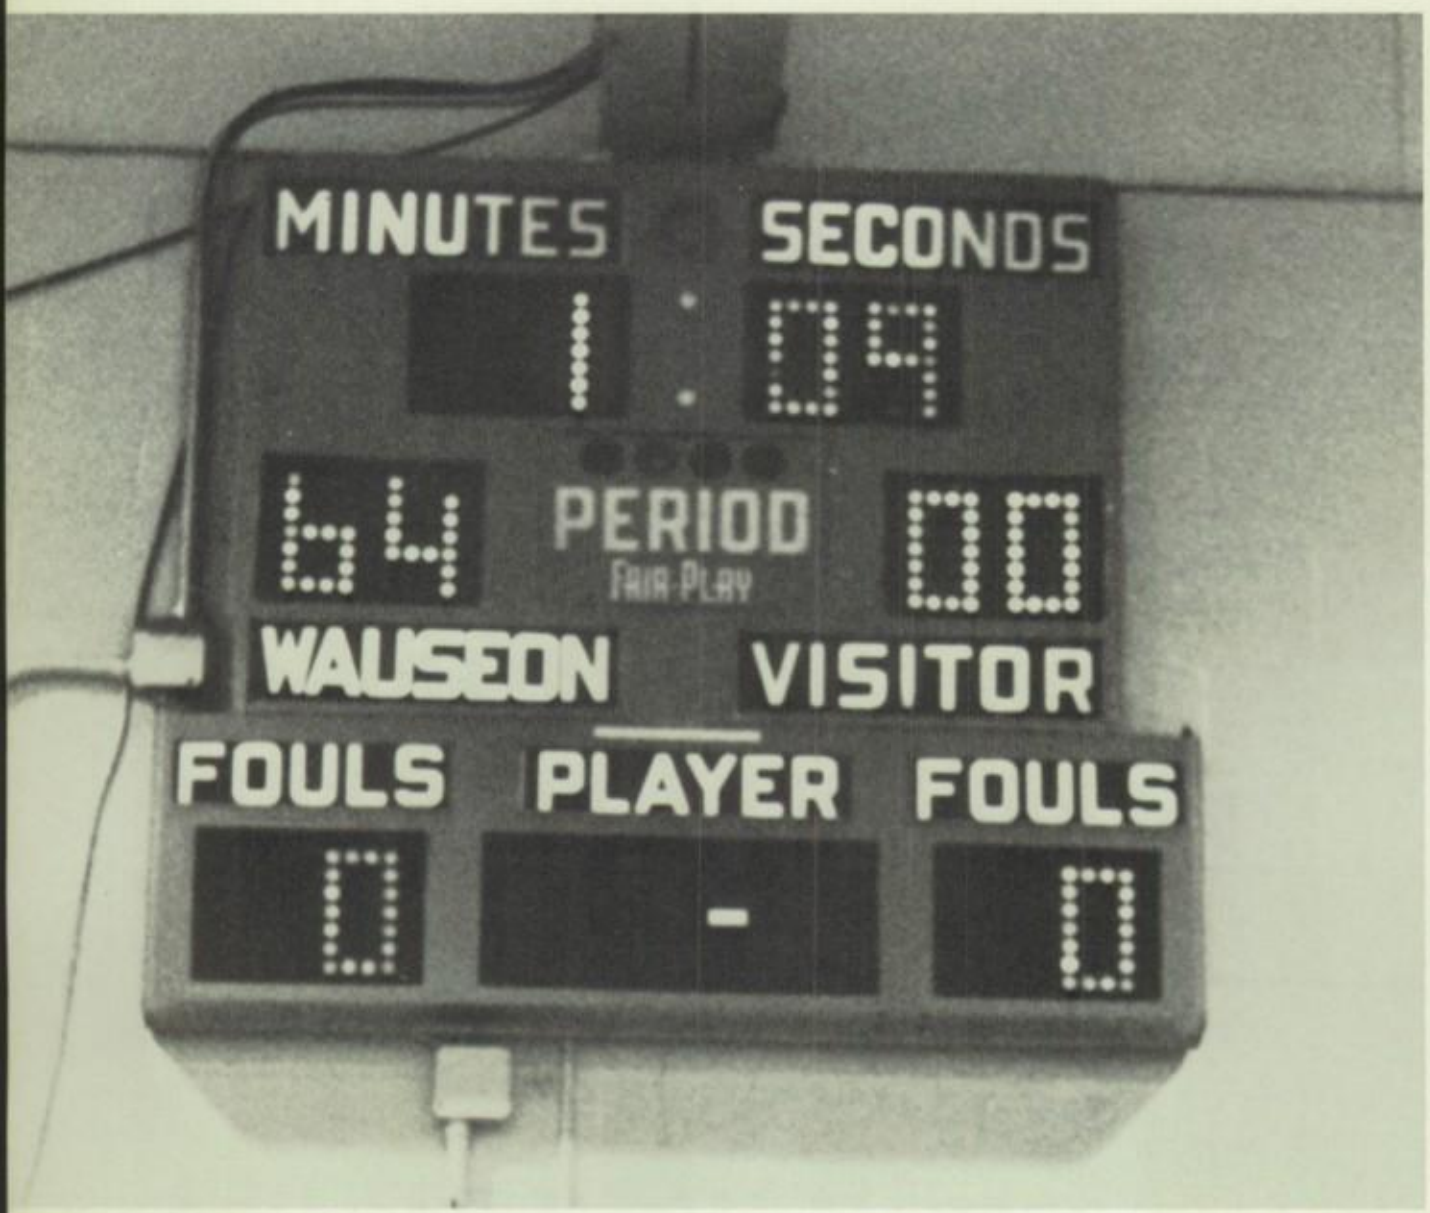
RESERVE GIRLS B. BALL — 1982-83

Kelli Makes the Big Move Up to Varsity!!

This year's women's reserve hoopsters showed enthusiasm, hard work, and dedication as they dribbled their way to a fine 12-6 record. With MIP Chris Cole leading the way, the JV squad opened their season with a victory over the Stryker team, setting the stage for continued success. Next year's varsity squad looks forward to seeing many of these JV stand-outs come December.



Top: Montpelier never did get on the board, as the final score read 74-0!

N.W.O.A.L. CO-CHAMPS

"Schneid" . . . 100 Wins and That Young!

The 1982-83 Varsity Wrestling squad wound up yet another outstanding season with a final record of 13-2. With the Indians only league loss being Swanton and Swanton's only league loss being Wauseon, it was a tie for the league championship. With team unity and great leadership on their side, the Indians pulled second place in both the league and sectional tournaments and also third place in the districts. Another of the highlights of the season was Coach Schneider's 100th win, a credit to his leadership ability.

During the year, certain team members showed *their* leadership abilities and were established at the "top" of the squad. Among these were: team captain, MVP, and "four-year" award winner Tony Schneider; state qualifiers Chris Menchaca, Allan Lane, and Dave Day (who placed fifth in the 119 lb. weight class); the upperclassmen including MIP's Allan Lane and Troy Weber; and the "Gut Award" winners Larry Fruth and Tony Schneider.

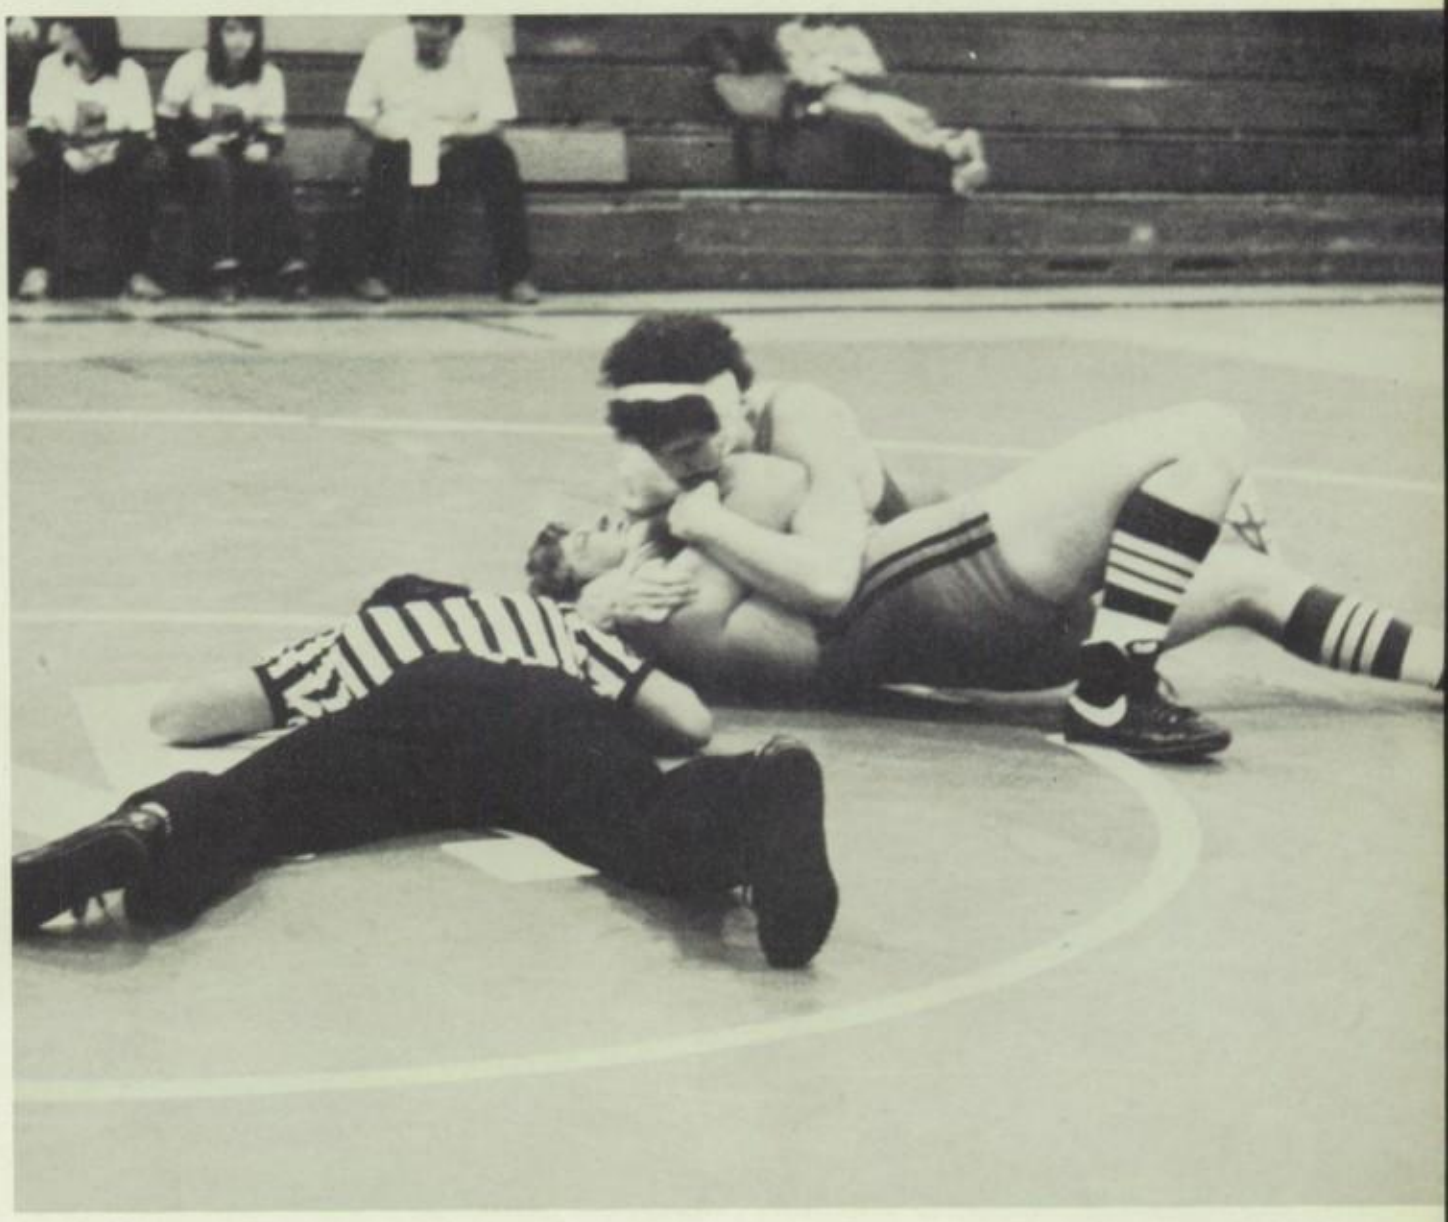
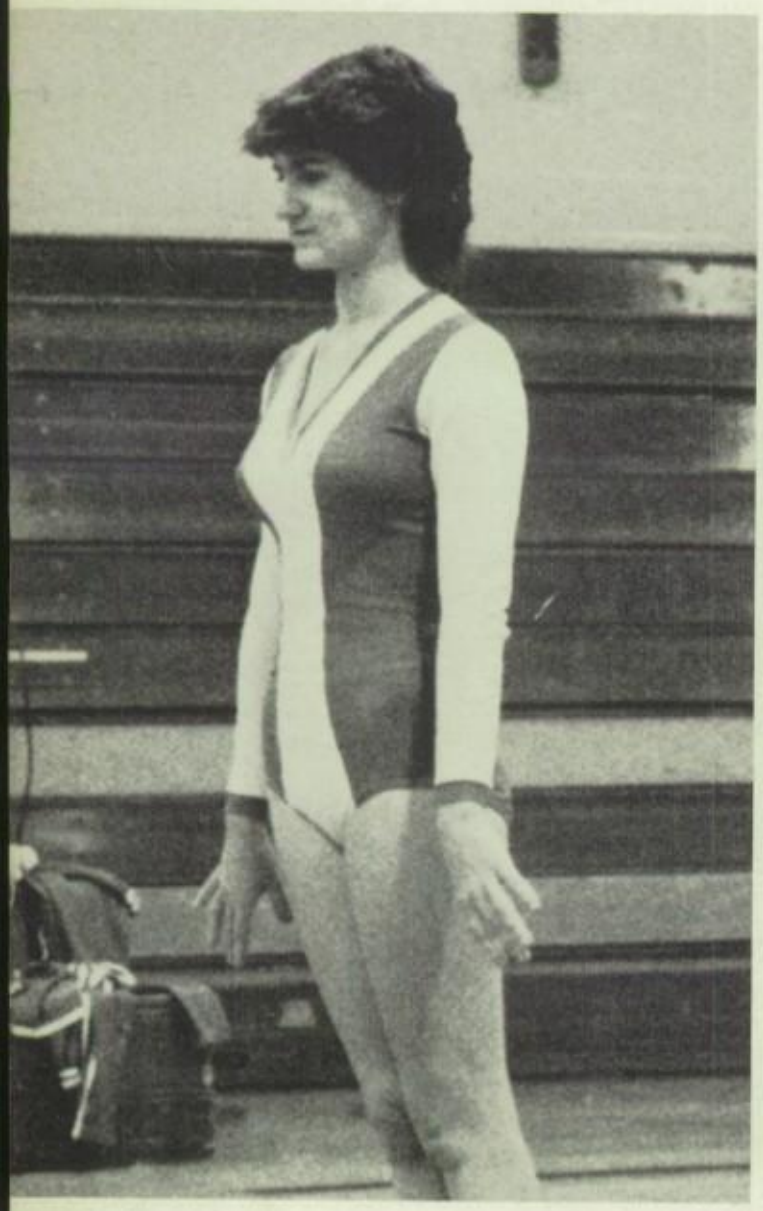
The J.V. wrestlers, led by Coach Spiccia and the varsity squad, finished the season with a winning 5-2 record. They pushed themselves to the best of their ability with many of them eager to "pin" a spot on next year's varsity team.

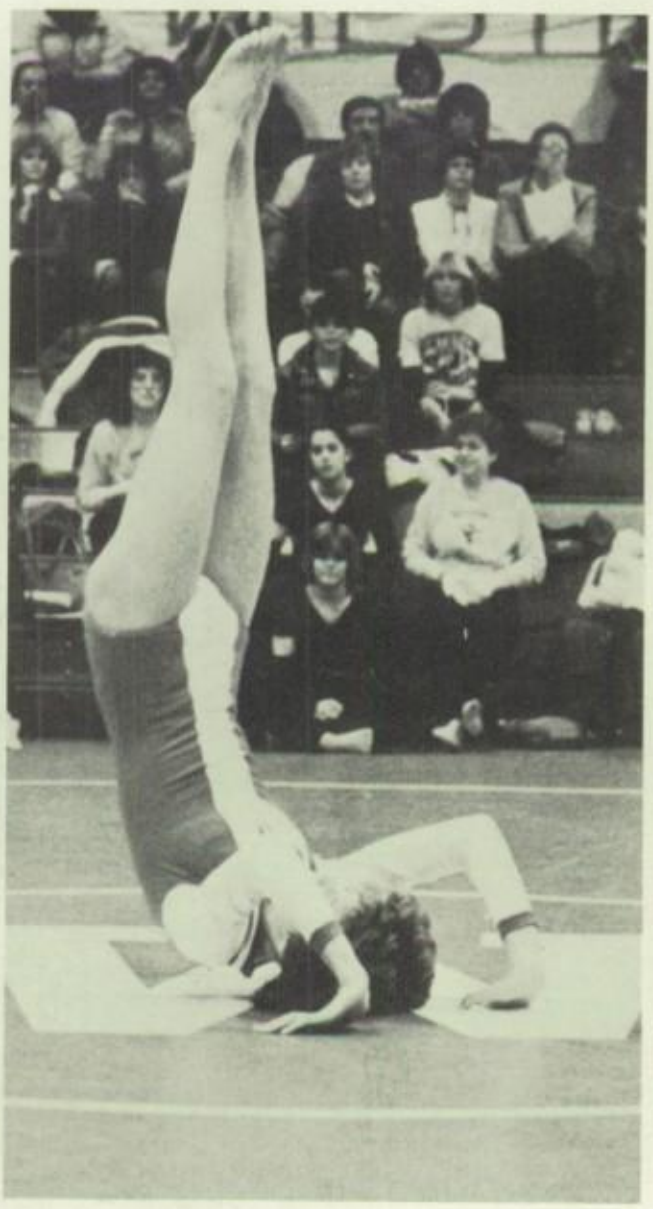
Some outstanding performances were given by MVP Brian Banister, and MIP's Mike Willis and Wes Precht.



. . . GYMNASTICS '82-'83

Cindy . . . Frame By Frame . . .

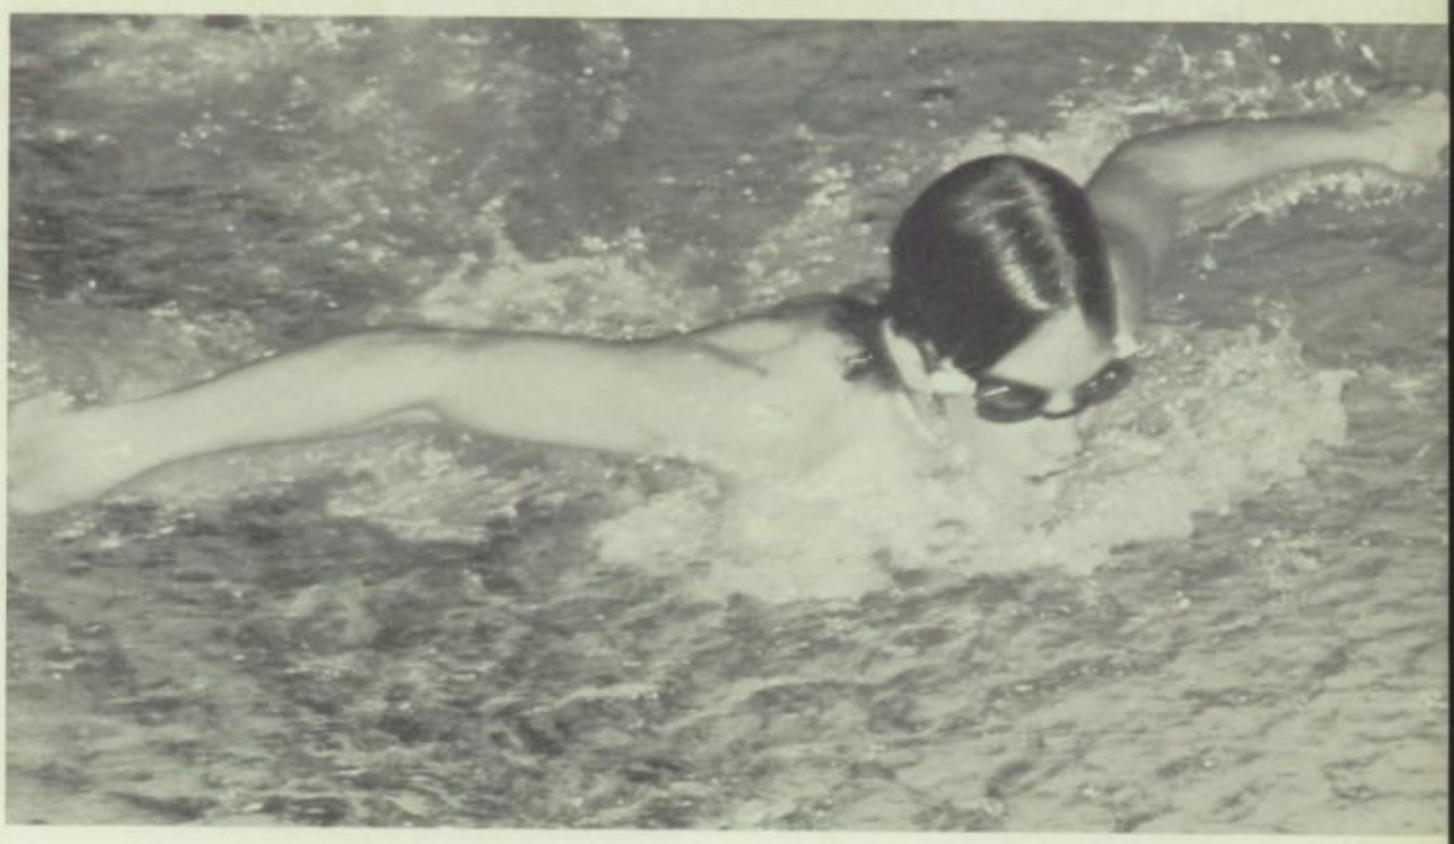




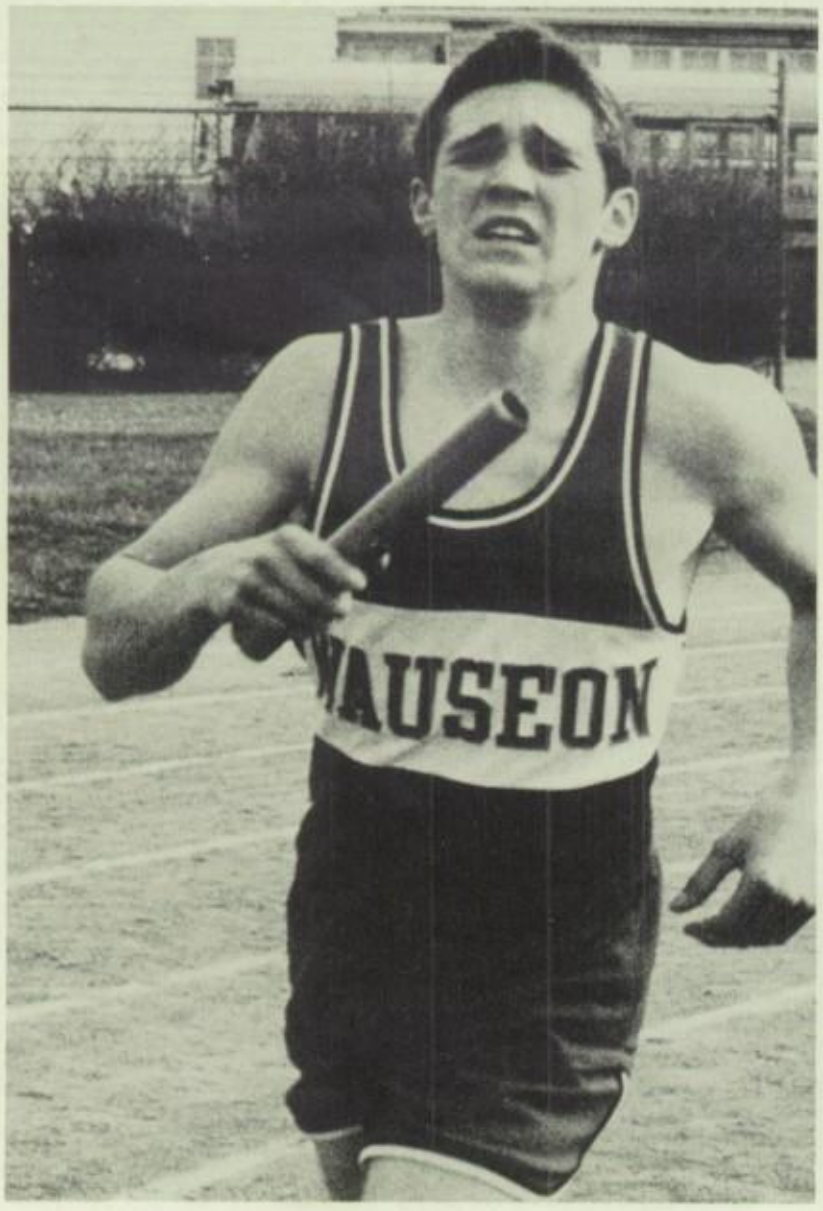
The Wauseon gymnastics team had a very successful season. The team was young this year. Five out of the eleven team members were freshmen. With experienced senior leaders Cindy Drummer, Julie Matheaus, and Sandy Frankforther, they led the determined team through a vigorous and competitive winter season. The graceful girls finished third in a triangular meet at Columbus Grove. The gymnastics team accomplished a number of goals and had a lot of good times doing it. The team is looking forward to the young, experienced members for their hard work and dedication to produce another excellent season.

SWIMMING 82-83

The Indian swimmers splashed into their rewarding season, but not without a lot of long hours looking at the black lines on the bottom of the pool. Early mornings and team spirit helped the team to shatter many of the school records. New school record holders included: Jill Neuenschwander, Kelly Fritz, Dara Stutzman, Mike Head, Emily Hurst, Gregg Zimmerman, Brett Pelok, and Steve Nowicki. Because of key finishes from everyone on the team, the girls tied a strong Findlay team and then went on to place 4th in the Findlay Invitational. Wauseon boys had several fine performances individually and also placed 4th in Findlay. Although injuries plaqued the team and a few of the members didn't last the season, the team finished well in Districts. Times improved greatly throughout the season. The girls finished 6th out of 31 teams; the boys finished 14th out of 26 — the best results in WHS history. Award winners for the 82-83 season were as follows: Capt. Steve Nowicki, Emily Hurst; MVP Gregg Zimmerman, Dara Stutzman; MIP Sue Murry, Gregg Zimmerman: Gut Award Emily Hurst. The young team will be seeing lots of wave action in the coming years at WHS.



Right: "Yes David, we see that hand!" **Bottom right:** "Nice tongue Ry Ry!" — the "Super Jock" **Bottom left:** "Relax Barney, I'm coming." **Below:** Tabb Gype . . . Up, Up, and Over . . .



The boys' varsity track team, led by field MVP Jerry Richer and runner MVPs Dave Rohrs and Mike Head, finished a fine season. Although Mother Nature put a "damper" on the track season and forced the cancellation of three meets, many individuals managed to improve their previous times. The team did exceptionally well at the Findlay Relays and won the meet. Two teammates brought home special honors. Jerry Richer won Outstanding Field Event Performer and Mike Head won Outstanding Running Performer. It was quite an honor for both awards to go to people on the same team. With runner MIP Kevin Hite and field MIP Tim Yackee and many experienced, young tracksters, the team is looking forward to a super year next spring.

The boys' team was also proud to be able to send Jerry Richer down to Columbus to compete in the State Track Meet. He placed third in discus. Jerry has shown great success in both the shot-put and discus. Congratulations Jerry!

GOLD MEDAL YEAR — 1983

Lady Thinclads Triumph at O.G.

The 1983 girls' varsity track team started out their season on the wrong foot. They lost their first dual meet on a very cold and rainy afternoon to the Napoleon girls. Despite the unfavorable conditions Julie Matheaus broke the record in the high jump and Robbin Vasvery broke the record in the hurdles. But once they got started, the WHS track fans saw excellent things start to happen. Led by seven seniors, field MVP Dawn Leupp, distance MVP Marlene Dieringer, sprint MVP Kelly Stites, and MIP Rena Clausen, the varsity girls finished a 3-2 dual meet season. The team won the Ottawa-Glandorf Gold Metal Meet out of 17 teams and tied for first with Springfield at a very exciting Whitmer Invitational Relays. They placed seventh out of 22 teams at the Blade Relays. The WHS thinclads broke five records this year and sent seven girls to regionals. It was a super year for the tracksters and they performed well in this year's new uniforms. The girls' track team would like to wish Mrs. Funk farewell because it is her last year to be assistant coach. The track team will miss her!

VARSITY BASEBALL

With the combination of powerful batting, quick thinking fielders, and good team speed, this year's varsity baseball team, led by senior co-captains Tom Glanz and Hal Cassidy, finished third in the league with a 4-3 record. They fell just short of the Sectional title as Paulding came out ahead in the last few minutes with a 4-3 score. Outstanding individuals for the team were MIP's Hal Cassidy and Kevin Schloneger, MVP Tom Glanz, and MVP and Batting Award winner Jack Warncke. They will lose only two seniors, so with many returning, it looks like they will again be a contender next year.

RESERVE BASEBALL

This year's reserve baseballers were always trying to do their best even though their final record was not indictative of this. Up against the inexperience of a freshmen majority and adverse weather conditions, the JV baseballers never gave up. Special awards winners for the team were Batting Award Winner and MVP Troy Darcy and MIP Dave Metzger. Next year's outlook is hopeful now that they have a year's experience under their hat!

RAH! RAH!

Spirits were raised as W.H.S. supporters showed pride in red and white colors.

The spirited cheerleaders did another super job this year. They worked hard in preparing for Cheerleading camp. While there, they acquired a plaque for 4th place overall. (There were 13 squads who attended the camp.) They also received a special ribbon for their dance routine. Kristen Spengler was outstanding by receiving a plaque for being in the top ten of the most spirited girls at camp. The cheerleaders also learned about 20 new chants and 8 new floor cheers to psych up the students at WHS. They kept busy running the cake raffles at the home basketball games and selling "I love the Indians" bumper stickers. All the WHS cheerleaders joined forces to sponsor spirit week in October. During that week, each day was designated as to what the student body should wear. Among the favorites were Clash Day, Grub Day, and the traditional Red and White Day. The cheerleaders did an excellent job of decorating the lockers of both the football and basketball teams and making inspirational hall signs. Once again this year the cheerleaders did a wonderful job of leading the school spirit. Yea team!!

Several Friday afternoons were enlivened by the spunky WHS cheerleaders and their amazing talents. The Varsity squad led the pep assemblies by displaying unlimited spirit. The memories of the skits "Rice pudding, take seven!" and "Doctor, doctor please come quick, my darling daughter and dog are sick!" will linger in the spirits of the WHS students for years to come. The pep band also did a wonderful job to boost the spirits of the Indian supporters by playing "The Horse" and "Across the Field." The pep assemblies this year were very entertaining and colorful and each one uplifted the WHS students for the big game that evening.

The Class of 1983 . . .

Senior Class Officers: Front, L-R: M. Friedhoff, T. Fraker. **Back:** C. Smith, L. Boyers, M. Rossman, A. Hernandez, K. Roos.

It doesn't seem like it's time to graduate. Just the other day *we* were the dumb little freshmen. We didn't know where the classrooms were and wandered around like we were lost. It was hard fitting in and making new friends. Somehow, we made it and became sophomores. We thought we were hot stuff when that driver's license was put in our hands and we got a set of keys to the family car. Finally as Juniors, we started taking hold of our potential. It wasn't just a building, but a place to experience life to the fullest. Our teachers are really our friends and they give us more than knowledge; they give us an outlook that is unique. As Seniors, we took the initiative and became leaders. This year has been a success thanks to every talented senior. We're going to miss you, WHS, but it's time to move on.

JUNIORS

As we traveled on our way in high school, our third year proved to be exciting and enjoyable. We built a first-place float for Homecoming. We had fund-raisers like the Jr. Talent Show, the Jr. Basketball Night, and the coat check at the basketball games. All this was to make the dream of the Jr.-Sr. Prom come true.

Combined with homework, sports, music, and clubs, the year flew by, bringing us that much closer to becoming seniors.

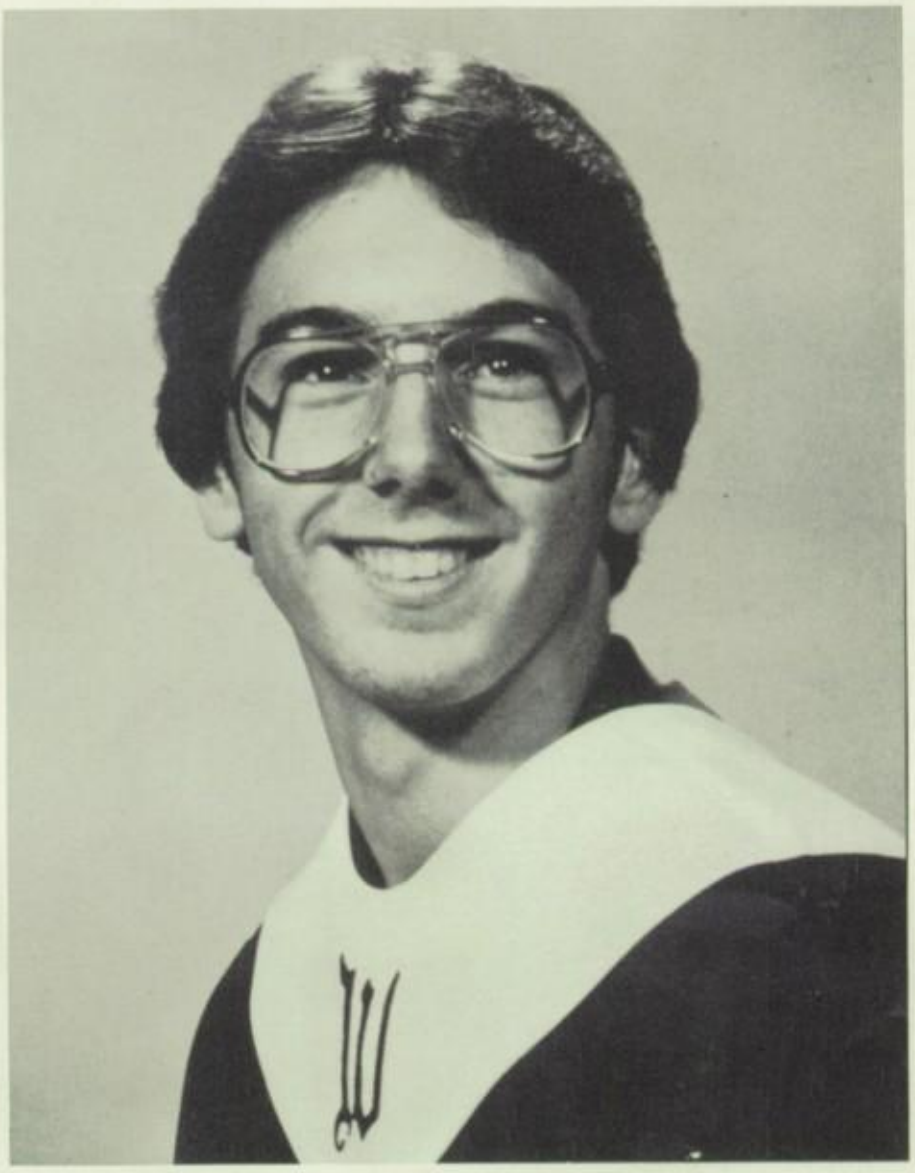
Dedicated in Memory of Burt and Robb

Burt Smith
1967-1983

"Burt and I had been friends since third grade. We use to play football, basketball, baseball, and go bowling together. We had a lot of classes together this year and we had a great time in all of them." — D. Sperry

"Burt and I had been good friends since the summer before fifth grade. I remember we would get some of our friends and go throw snowballs at cars. We all used to have great fun." — P. Fraley

"I'll never forget the time we took Burt up to our cabin in Canada and he caught his first fish — 27", 5¾ lbs. When he reeled that thing in and I netted it, his facial expression was worth a million dollars." — B. Pelok



Robb Westhoven
1966-1983

"Robb taught me the very first song that he had ever learned on his guitar. He never showed anyone else." — B. Frank

"Robb was quite a comedian. He always made my friends and I laugh whether we wanted to or not. He was quite a guy." — D. Rashley

"Our band, even though we weren'y great, was Robb's favorite thing. When we would jam on Saturdays, I would get tired and stop, but he always wanted to keep going. That's the kind of guy he was: when he wanted something, he strived for it." — S. Tanner

Precious Teenage Boy

Who knows the pain and agony,
Who knows of their despair,
Who understands this suffering,
These parents now must bear.

We cannot know their sorrow,
Without tasting of their cup;
We cannot know their tragic loss,
Lest we should drink it up.

There is Someone Who understands,
Someone Who's lost a son,
Someone Whos's watched in anguish,
As His life on earth was done.

God understands each beating heart,
Each breath, each step we take;
He knows each troubled soul and mind,
Each agonizing ache.

Because He gave His only son,
On Calvary's cruel tree,
Through life comes death, through death is life,
Yes life! Eternally.

We'll cry because we'll miss him;
We'll wish that he was here.
Our eyes will mist with memories
That linger through the years.

Our tears be more for us than him,
For he knows peace and joy.
God's gift to us, returned to Him,
That precious teenage boy.

FRESHMEN

Now that we had taken the first step of our high school years, we realized that there really wasn't anything to be afraid of. There were many new experiences for us, including learning to respect the outstanding Senior class, building our first float, coping with homework, our first taste of study halls, and the opportunity to join different clubs and organizations. After surviving the 1982-83 school year, we decided we could tackle anything, including our sophomore year!

Senior Occupations

This year we decided to take a different approach to the senior section by having all of the seniors get a chance to get involved. This year's section is called "Senior Occupations." It's not meant to look back at what we seniors were or even are now in high school, but to look at what we will be in the future as we begin to separate and travel our individual paths, which will lead us to our eventual goals. While still in high school, we have many different ideas of what we will or would like to become and do with our lives. This section's main purpose is to show what our goals were while we were still seniors. Within the next few years, most of us will probably change our minds many times but there will be those who stuck with their present choice and follow it until it is fully achieved. In ten years, when most of us are well headed towards our lifetime occupations, we will be able to look back and see how well we knew where we were going when we chose our "Senior Occupations."
